ABOUT THE COLLEGE

ASD Government Degree College for Women (Autonomous), Jagannaickpur, Kakinada is the only Government College for Women for having Autonomous Status in both East & West Godavari districts together. The College is offering B.A. (H.E.P.; T.H.P., Tourism), B.Com (TM, EM, & Computers), and B.Sc (MPC, MPCS, CBZ, CBMB, CZAq&H.Sc) at UG level under Semester System, and M.Com (EM) Self finance course at PG level.

ABOUT THE BOTANY DEPARTMENT

The Department of BOTANY was established in the year 1963. It is a 56 years old, Department and the present strength of the students is nearly 170.

The Department has got two well established labs, Department offers certificate course in nursery Management, Medicinal Botany & Organic Farming. Every Department conducts medicinal plants drive annually regular botanical tours & Field Trips.

THE DEPARTMENT OF SANSKRIT:

The Department of Sanskrit was established in the year 1970. It is the primary liturgical language of Hinduism. The Philosophical language in Hinduism, Buddisam, and Jainism and scholarly literary language that was in use as a lingua franca in the Indian cultural Zone.

The corpus of Sanskrit literature encompasses a rich tradition of poetry and drama as well as scientific, technical, philosophical and dharma texts. Spoken Sanskrit received in some villages with traditional institutions, and there are attempts at further population. The language Sanskrit is offered as a second language at UG level strength and the same is being chosen by the students of all courses as their profession.

PREAMBLE :

Health is wealth to all, ayurveda in the oldest medical practise systems in India. In vedas mainly in Adharvanaveda there in description, significance and use in treatment of a lot of medicinal plants but unfortunately this knowledge concealed of ayurveda can how remedies for which are not cured by new medicinal systems like AIDS, CANCER, AND DIABATIES.

Traditional home treatment methods which are famous in India, by using these methods can treat the common alignments like cold, fever, cough, pains are treated without using antibiotics.

OBJECTIVES OF THE WORKSHOP

To create awareness about health through ayurveda
To know about the advantages of using probiotic medicines
To know how our body regulates its functions.
To know about the traditional home medicines in how scientific and how it cure.
To know how to maintain healthy life.
To getting knowledge about Medicinal Plants and their uses, which are present in our surroundings.
