Accomplishments

Outline the major accomplishments of the CoE office during the academic year, such as the successful conduct of examinations, the implementation of new policies or procedures, and the introduction of new SOP issued by CCE in CIA.

Challenges

The challenges faced by the CoE office during the academic year, separate session of examinations has been conducted for Odd & Even semesters for first and second year examinations, 5th semester and 6th semester examinations for final year students which affected the whole examination process.

Initiatives and Improvements

New examination Software was purchased in Sept 2021 SPES and SQL Upgraded from 2002 version to 2016 version for better output in reports. New reports were generated for CIA as per the new SOP in continuous Internal Assessment. Students were given code of conduct and instructions has been printed on the backside of the halltickets.

Conclusion

Even though 5 sessions of examinations conducted in single academic year (Including Instant) instead of conducting only odd and Even Semester exams, all the examinations were conducted in a smooth way with the updated report generation process. Summarize the key points of the report, including the accomplishments, challenges, and initiatives undertaken by the CoE office during the academic year.

Recommendations

It is recommended to introduce online fee payment module for examination fee payments. It is also planning to introduce OMR Sheet printed with student details and outcomes mapping for evaluation. Planning to conduct One (Either first mid or Second Mid) mid semester examinations in online mode. it is also planning to give extra credits by conducting centralized examinations for certificate courses introduced by various departments.
