

## **EXTENSION ACTIVITIES**

The students are encouraged to do community service, where they can acquire knowledge, life skills and provide service to people. It is a wonderful opportunity for students to become active members in their community and create a positive societal impact. It develops empathy, social skills as students will be helping others and interacting with various people, it also boosts confidence levels by improving interpersonal communication skills. The college gives high priority to Community Service and every student has to involve in doing Community Service Project. For the academic year 2021-22, as a part of CSP, II B.Sc students has conducted a socio-economic survey in their native places and also gave awareness on various issues like, Environmental Education, Health & Hygiene, Nutrition and Women Empowerment etc. Besides this, both B.Sc and B.A. stream students visited the old age homes in the vicinity of Kakinada. They interacted with the elderly; paid attention to them, and distributed fruits and groceries. There was immense joy in both students and elderly people and the students determined to continue this act every year. All the details are furnished below as an attachment.
